1922 STATEMENT OF HENRY STEVENS TO MR. PFEIFFER.

Trial Prep HS - nd

Mr. & Mrs. Hall went to Lavallette on June 23rd to see the Stevens'. Stevens not in New Brunswick after that until afternoon of Saturday, September 16th. Received telegram about ten minutes to three from Edwin Carpender that Hall had been killed -- at Lavallette. Took 4.25 train from Lavallette and arrived in New Brunswick at about 6.40 p.m. I telephoned Ed. Carpender who met et (Stevens) at the station and drove me to the Hall house. Stayed at Carpender's that night. Saturday afternoon and evening went to New York to apartment at 120 East 31st Street, and stayed there over night. Came to New Brunswick Monday morning to attend to funeral matters. Attended funeral and interment at Brooklyn. Mr. & Mrs. Stevens stayed at apartment until Thursday morning. At 9.00 o'clock left for Lavallette, to be there when van arrived. Stayed at Lavallette until Sunday. Drove to New Brunswick with Mrs. Stevens and returned to Lavallette that night. Stevens came back to New Brunswick on Monday morning. Stevens had told Mrs. Hall some time on Monday, the day of the funeral, that he would be at the apartment until the van took the stuff to Lavallette and then would be there. Mrs. Hall gave both city and Lavallette addresses to reporters. They went to Lavallette first before Stevens arrived and then to the apartment after Stevens had left, so that they missed him in both places.

Mrs. Stevens telephoned Mrs. Hall on Thursday night just before they left Lavallette that they were about to start.
